Truth of the Cross

By Dr. R.C. Sproul

*Senior Minister of preaching & teaching,
Saint Andrew's Chapel, Sanford, Florida*

In *The Truth of the Cross*, Dr. R.C. Sproul surveys the great work accomplished by Jesus Christ through His crucifixion—the redemption of God's people. Dr. Sproul considers the atonement from numerous angles and shows conclusively that the cross was absolutely necessary if anyone was to be saved, for God's justice had to be satisfied and man's sin had to be punished. Opening the Scriptures, Dr. Sproul shows that God Himself provided salvation by sending Jesus Christ to die on the cross. Furthermore, this was no "Plan B"; the cross was always God's intended method by which to bring salvation, as Dr. Sproul shows by citing numerous Old Testament passages that clearly revealed that the Savior was to suffer and die on behalf of others. *The Truth of the Cross* is an uncompromising reminder that the atonement of Christ is an absolutely essential doctrine of the Christian faith, one that should be studied and understood by all believers.
